You must know:

- Exact location of alleged substance
 - Sequence of search and arrest

-

PRELIMINARY HEARING (MAY 27)

Primary objective:

- Challenge probable cause
 - Expose weaknesses in State's case
-

POST-PRELIM STRATEGY

If case is weak:

- Push for dismissal

- Prepare for district court
 - Refine suppression arguments
-

RISK MANAGEMENT

CRITICAL DO NOTS

- Do not provide inconsistent statements
 - Do not discuss case details outside legal counsel
 - Do not violate no-contact orders
 - Do not incur new charges
-

CORE STRATEGY STATEMENT

Remain compliant, maintain consistency, and focus on weakening the drug case at the preliminary stage.

FINAL NOTE
